Dear Member,

**hts Annual Dinner - Friday 26th March, 2010
New Connaught Rooms, WC2 - 6.00 for 7.00 pm**

This year's Annual Dinner, which as you know is our most prestigious function, will be held on Friday 26th March at the New Connaught Rooms, Great Queen Street, London WC2B 5DA.

Dave King will be installed as 2010 H.T.S. President at the dinner. Dave is a Heat Transfer Consultant in the Process & Process Safety Engineering Team of BP Exploration Operating Company. He has worked in the refining, petrochemical, exploration, and production sectors for more than 35 years and is responsible for providing leadership in heat transfer across all sectors, which includes updating company engineering practices and challenging industry design practices. Dave works with equipment vendors & engineering contractors to optimise the design of heat exchangers for major projects and continues to identify cost effective solutions to heat exchanger restrictions on existing facilities. He is actively involved in mentoring others and delivering heat transfer training courses, ranging from basic awareness up to advanced heat exchanger design & operation. In 1998 he initiated formation of an international consortium to address crude oil fouling problems by sharing best practices.

If you wish to attend please complete the form below and return it to Colin Weil at the above address. Please include any special dietary requirements you may require. Preferred dress for the occasion is lounge suit.

President: Claudette Beyer

Chairman: Martin Gough

Secretary: Colin Weil
